

KTL UNIVERSITY PRESENTS

IMAGINARIUM IGNITION PROTOCOL

Your First 5 Steps to AI Power Stack Activation

MEMUBOT + CLAUDE ECOSYSTEM SETUP

MEMUBOT ACTIVATION

Phase 1: 0/3 → 3/3

01

OPEN THE GATEWAY

PLATFORM ACCESS

- Navigate to memubotai.com (placeholder)
- Create account using Imaginarium cohort email
- Verify email and complete security setup

✓ You see the MemuBot dashboard

02

ESTABLISH THE CONNECTION

TELEGRAM INTEGRATION

- Open Telegram → search "@MemuBotAI"
- Click "Start" to initialize your instance
- Copy API key from dashboard → paste in Telegram
- Send test message: "/status"

✓ MemuBot responds 'Connection established'

03

YOUR FIRST SUMMONING

LAUNCH YOUR FIRST AUTOMATION

- In MemuBot dashboard → "Pattern Library"
- Select "Daily Creator Pulse" template
- Set time preference (morning recommended)
- Activate automation

✓ You receive first automated check-in

CLAUDE ECOSYSTEM ACTIVATION

Phase 2: 0/2 → 2/2

ACCESS THE INTELLIGENCE LAYER

CLAUDE ECOSYSTEM SETUP

- Go to [claude.ai](#) (placeholder)
- Sign up/log in with Imaginarium credentials
- Access all 4 tools: 101 | Skills | Cowork | Code
- Bookmark each tool for rapid deployment

✓ All 4 Claude interfaces accessible

FIRST INTELLIGENCE TEST

RUN YOUR INITIALIZATION PROMPT

- Open Claude 101 or Skills
- Use prompt: *"I am an Imaginarium builder learning AI-powered entrepreneurship. Help me understand how to use you as part of my Meta Agent Protocol infrastructure."*
- Review response & Save to Pattern Library

✓ Claude provides context-aware response

CONGRATULATIONS - YOU ARE NOW ONLINE

✓ MemuBot Active

✓ Claude Ecosystem Live

✓ Pattern Library Ready
